

# SERVICE CALL APP

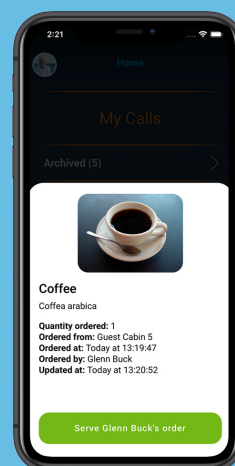

## SERVICE CALL APP - SERVICE AT YOUR FINGERTIPS

Imagine, you need to call the crew or an emergency situation requires quick action but the dedicated steward call button or remote control are nowhere to be found. Luckily most of the time you will carry your phone with you.

### VBH INTRODUCES SERVICE CALL APP

With VBH's Service Call App you have a range of service related calls at your fingertips. Just open the app on your phone and select the desired type of service. Steward Call functionality is standard. Your onboard location is automatically included in your call. There will be optional features available like Food Order Service and Chat with Crew.

If you want to know more about Service Call App please contact us.

AUTOMATION

## KEY FEATURES

### Standard features :

- Steward Call
- Onboard location included in call automatically
- Seamless integration (via QR code)
- Optimized for charters

### Optional features :

- Food Order Service
- Chat with crew

VBH Service Call App consists of a owner/guest frontend where calls can be made, a crew frontend where calls can be acknowledged and a crew backend where calls are archived.

VBH Service Call App is available in Apple App Store.

### ABOUT VBH

At VBH, we apply technology to improve the superyacht experience. We push the boundaries of technological applications. The aim is always to ensure a simpler, better, and more luxurious time onboard.
