INSTANT STREAMING ONBOARD

At home, when you want to listen to your favorite music, you conveniently stream it from your phone. On your yacht, there are many systems and options to select. Things quickly get complicated. How to make streaming as simple as at home?

VBH OFFERS INSTANT STREAMING

Now you and your guests can stream music directly from your phone! With VBH Instant Streaming, the yacht's AV/IT systems understand when you want to stream your music. The upgraded system automatically switches to the right amplifiers and speakers. Now streaming is as simple as at home.

FEATURES

Stream music directly from phone

Simple room selection for streaming

Audio system automatically activated

“ The developments in technology are going faster and faster, the possibilities are endless.

With VBH Instant Streaming, you simply select the room's airplay feature, the same as you would do at home. As soon as you start to stream, the system automatically takes care of all other settings necessary to play music from the speakers.

WHAT HAPPENS

- We check current state of your yachts AV/IT systems
- We check if we need extra hardware or upgrades to add the Instant Streaming feature
- If missing, we install and integrate the required hardware
- We program the new functionality into your yachts control system

With over 300 yachts, VBH is one of the pioneers of AV/IT in the superyacht industry. We love taking care of all the details, so you and your guests can focus on enjoying your time!
