

REFIT SURVEY

**VBH**

SUPPORT & MAINTENANCE SOLUTIONS

Owners and guests often watch TV, movies, listen to music, and surf the internet. Technology changes fast, resulting in systems getting outdated fast. Refitting your yacht makes sense, but how to know what to upgrade?

## VBH OFFERS TECHNICAL SURVEYS

Our survey clarifies the status of the many systems onboard. Our assessment informs you if the hardware is working, malfunctioning, or needs improvement.

VBH performs several surveys, catered to your needs:

- **AUDIO/ VIDEO SURVEY**
- **IT SURVEY**
- **Wi-Fi SURVEY**
- **SECURITY SYSTEM SURVEY**
- **CYBER SECURITY SURVEY**
- **RF/COMMUNICATION SYSTEM SURVEY**

The refit experts at VBH work exclusively on refit projects. This ensures our refit project managers can fully dedicate themselves to your project while harnessing the first-class knowledge and expertise of the rest of the VBH team.

# A CHANGE OF TECHNOLOGY

## WHAT YOU CAN EXPECT

1. Assessment of your existing systems (AV/IT/WiFi/Security/Communication systems)
2. Assessment of the yacht's infrastructure (Cabling/HVAC/Space)
3. Assessment of manufacturer maintenance and support lifecycle
4. Translation of owner's desires in applicable technology
5. Impact assessment of upgrade scenarios

## DOCUMENTATION

VBH provides you with a detailed survey report. The report provides an independent assessment of system status, including system design recommendations.

With more than half a century of experience, VBH has the longest track record in the industry. We focus on the entire lifecycle of superyachts. VBH refit specialists can provide great advice for your yacht's refit.
